

Health For Sick Women

We know of no other medicine which has been so successful in relieving the suffering of women, or secured so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every woman you meet has either been benefited by it, or knows some one who has.

In the Pinkham Laboratory at Lynn, Mass., are files containing over one million one hundred thousand letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made exclusively from roots and herbs, and is perfectly harmless.

The reason why it is so successful is because it contains ingredients which act directly upon the female organism, restoring it to healthy and normal activity.

Thousands of unsolicited and genuine testimonials such as the following prove the efficiency of this simple remedy.

Coloma, Wisconsin.—"For three years I was troubled with female weakness, irregularities, backache and bearing down pains. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking several bottles I found it was helping me, and I must say that I am perfectly well now and can not thank you enough for what Lydia E. Pinkham's Vegetable Compound has done for me."
—Mrs. John Westland, R. F. D., No. 3, Box 60, Coloma, Wisconsin.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

Popular East Ender
SELLS OUT AND WILL MOVE TO ANOTHER COUNTY.

Mr. William Thompson, of Broughtontown, has sold his property to D. A. Singleton consisting of his farm and store. His store invoiced \$12,000. The man who invoiced was Mr. Harry Celler of Crab Orchard a fine young fellow, son of J. H. Celler. Mr. Thompson has desired to try Garrard or Boyle counties for a location. The people of their neighborhood will badly miss Mr. and Mrs. Thompson. They have lived there for years and are very popular with their friends. Mr. Thompson sold his land for a good price, \$100 per acre for Knob land, and lies in a public place and a good stand for a store. Mr. Thompson came to this county over five years ago with S. J. Cummins from Rockcastle county and there he fell in love with a beautiful young girl, 17 years of age, daughter of Bryant Brown, whom he courted for some few months and they both agreed and parents also and they were united into the holy bonds of matrimony on Dec. 25 1895 at the bride's father's where a host of friends congratulated them. They have lived a happy and loving married life and many a friend loved one has visited them in the past and expect to do so in the future. Their house has been brightened by three little ones two boys and one girl. So we all join in wishing both a successful home and business wherever they may go.
